**FORMAL ADVICE ON DECISION REGULATORY IMPACT STATEMENT –
WATER SERVICES CUSTOMER CODE**

Thank you for your Decision Regulatory Impact Statement (Decision RIS), received on 5 March 2013.

The Regulatory Gatekeeping Unit (RGU) advises that this Decision RIS meets the Western Australian Government's adequacy criteria as detailed in the *Regulatory Impact Assessment Guidelines for Western Australia*. The proposal, accompanied by this Decision RIS, may now proceed to the decision maker. When the Government announces its decision, you must publish the Decision RIS and this Compliance Assessment Notice on your agency's website. Please provide the link to the RGU.

You may not change the approved Decision RIS without consulting the RGU, as any changes may affect its compliance with the adequacy criteria.

If this regulatory proposal undergoes changes during its subsequent development or drafting, and new impacts on business, consumers or the economy are introduced, you may have to assess supplementary regulatory impacts as outlined in the RIA Guidelines.

The RGU does not support any particular regulatory option or outcome and does not verify the underlying data or methodology used in a RIS.

Please retain this letter as a record of the RGU's advice. If you have any questions or comments please contact Raguragavan Ganeshasundaram on 6551 2703 or email the RGU at regulatorygatekeeping@treasury.wa.gov.au.
