

## Register extract data request form

(Please fill out this form when requesting data from the water licensing support unit.)

**Please Note:**

- Fields marked with an \* are mandatory and must be completed.
- The information extracted is current only at the specified time and date located on the register extract.
- The monetary value of trades is not available to the public.
- The information is extracted from the licensing database and is presented in Microsoft Excel format.
- A fee of \$25 will apply for the first page of data and a \$1 for each additional page. Alternatively, information on water availability and licensing details are also available on the Department's 'Water Register' free of charge using the following link: <http://www.water.wa.gov.au/ags/WaterRegister/>.
- A fee is not payable for aquifer allocation information.
- Easting and Northing coordinates are not available to the public as they are confidential.

**Part 1: Customer details**
